Trial Classes

Trial classes are a fantastic way to find the perfect fit for your child. Here's how they work:

- Booking: Trials can be booked via the Class Manager portal.
- Cost: Each trial class is \$7.50.
- Placement: Students must attend the appropriate class for their age. During the trial, our instructors will assess their ability to ensure they're placed in the correct class.

Next Steps After the Trial:

- If you wish to enrol after a trial, please contact Rise Dance Studio to be registered as a Customer in Class Manager.
- Once registered, you'll be able to log in to the Parent Portal using the email and password you set up for your trial.
- If you do not contact us to update your status after the trial, you will not be able to register or log in to the Parent Portal.

All new students must register through the Class Manager Register link.

- Annual Registration Fee: \$45 (non-refundable) per student. This fee covers administration, insurances, enrolment processing, and appropriate licenses required to run our programs.

Enrolment

All enrolments are done through the studios Class Manager app or webpage

With strict limits on class sizes, we will, when necessary, use timestamps to prioritise students

Please check carefully which studio location you are enrolling in as we cannot guarantee there will be places available at your desired location in case of errors

Class Placement

With the exception of Acro classes, we use age as a general guide for class placement. If you have questions about the appropriate class for your child, please don't hesitate to speak with our team.

Acro students will be assessed prior to class placement at the discretion of the class teacher

Rise do conduct some classes that are by invite only as they expect a level of proficiency and/or commitment above that of a general class that needs to be discussed and confirmed prior to accepting enrolments
